CELEBRATE THE SPIRIT OF RACING.

HORNET 2.0
Repsol Edition

NOW WITH
ASSIST SLIPPER CLUTCH

DIO 125
Repsol Edition With H-Smart Technology

LED All Around

See and be seen better with LED Lights All Around. Emphasize the street-fighter look with the raging Headlamp Design. Add to your fierce style quotient with the X-Shape Tail Lamp and the Newly Designed Winkers.

Assist Slipper Clutch

Glide through street corners and city traffic with ease, as the Assist Slipper Clutch requires less force enabling quick shift and prevents rear wheel hopping while downshifting.

Mono Shock Suspension

Be sure to maintain your center of gravity as you fly faster than others. The Mono Shock Suspension helps increase stability and gives superior handling as well.

Golden Upside Down (USD) Front Fork

Dominate the racing scene with the Golden Upside Down Suspension. Handle those bumps with ease with the superior and advanced suspension.

HORNET 2.0

Repsol Edition

Fully Digital, Liquid Crystal Meter

The perfectly positioned meter lets you know exactly how fast you're going as you assert your dominance. Be it night or day, see your info clearly with the 5-Level Illumination Control on the Crystal Meter. Also, with the Gear Position Indicator, Battery Voltmeter and Service Due Indicator, stay above the rest. It also includes the Side Stand Indicator with Engine Cut Off that adds to the safety of the rider, indicating when the stand is down.

Alloy Wheels and Wave Disc Brake

Control your wheels with confidence. The Wave Disc Brake on the Dio 125 Repsol Edition ensures safe and efficient braking, no matter the speed at which you're going. The Alloy Wheels come with better heat conduction and are sure to make a statement that's strong yet stylish.

DIO 125

Repsol Edition

Sporty Dual-Tip Muffler

Make some noise wherever you go with the Dual-Tip Muffler that announces your arrival with a bold, bombastic reverb making your presence known.

Smart Key

The Smart Key that has H-Smart Technology lets you enjoy features like Smart Safe, Smart Find, Smart Unlock, and Smart Start.

Split LED Position Lamp and Headlamp

Flaunt your bold and sporty style with the Split LED Position Lamp and Headlamp that truly lights up the way, no matter where you dare to go.

Intelligent Meter

An Intelligent Meter that tracks Real-Time Mileage, Average Mileage, Distance to Empty, Battery Indicator and Smart Key Indicator so you have one less thing to worry about.
